Experience

2018 - Now — **Senior Software Engineer** — Freelance, *France & Remote*
· Design and implement Software & APIs in Ruby, Python, JavaScript & HTML5 based on SQL & NoSQL's Databases (PostgreSQL, Neo4J, Redis, CouchDB & ElasticSearch.)

2014 - 2018 — **Senior Ruby back-end Engineer** — ACCENTURE, *France*
· Design and implement APIs in Ruby based on NoSQL's technologies like Neo4J, Redis, CouchDB and ElasticSearch.
· Ops all the web services on Heroku and Cloudant.

2012 - 2013 — **DMS Integrator & Consultant** — Freelance, *France*
· Design and development of document management system (Alfresco) for many Nantes area Notaries and Lawyers.

2010 - 2012 — **System & Network Engineer** — S.I.E.E.E.N, *France*
· Design, implementation and management of a geographic information system (both hardware and software with PostGIS and ArcServe) for the Nièvre department (country subdivision).

2004 - 2009 — **Sales & Technical Engineer** — AGIRHE, *France*
· Computer Graphics Software & Hardware product expert.
· Problem solving related to hardware, software (mostly 3d related Autodesk products) and Operating Systems (both Windows and GNU/Linux RedHat/Debian).
· Designing, Implementing and Managing render farms (IBM and HP Clusters with Cisco and HP Networks).

Education

2013 - 2014 — **Software Engineer** *Bachelor diploma* (Titre Professionnel Niveau III DL) — IMIE, *France*
· Work on Java, JavaScript, PHP & PostgreSQL with UML and Agility.

2009 - 2010 — **System Engineer** *Bachelor diploma* (Titre Professionnel Niveau III TSGERI) — CCI, *France*
· Learn Windows Server, GNU/Linux and Network management (CISCO Hardware).
· Learn System management Scripting.

2005 — **Server Management & Deployment** — AGIRHE, *France*
· Learn to manage Windows Server, Active Directory, IIS, SQLServer, Exchange and Clustering Design.

2004 - 2005 — **English as a second language (*ESL*)** — Wall Street Institute, *France*
· Learn Oral and Written UK English.

Certifications

2010 — **CCNA** — Cisco Certified Network Associate Routing & Switching, *Cisco. E-learning*
· Learn necessary skills to administer CISCO devices on small or medium-sized networks.

2008 — **RHCA** — Red Hat Certified Architect, *RedHat. E-learning*
· Learn Network Services, Deployment and Systems Management, Directory Services and Authentication, Storage Management and System Monitoring and Performance Tuning.
RHS333, RH401, RH423, RH436 and RH442 training.

2008 — **RHCSS** — Red Hat Certified Security Specialist, *RedHat. E-learning*
· Learn Enterprise Network Services Security, Directory Services and Authentication and SELinux Policy Administration.
RHS333, RH423 and RHS429 training.

About me

I speak/read French (Native), English (Business) and Japanese (Beginner). I'm a Japanese resident with a spouse working permit. I'm married and I have a 11 year old son.
I love making 3d computer graphics, music (both playing & listening), reading, movies & tv shows. I'm involved in the Free Software Foundation since 2014.
